# Certificate in Biblical Studies

## Objectives

The Certificate in Biblical Studies is designed with two specific needs in mind. The first is for persons who seek a year of study in preparation for lay service with an overseas mission agency, or for more effective lay involvement in the life of their local congregation. It also serves as a "trial year in seminary" for persons who wish to test their gifts and skills with a view toward possible further preparation for full-time Christian ministry.

Certificate coursework may later be applied toward a Master of Divinity or Master of Arts degree.

## Admission Requirements

Applicants must possess a Bachelor of Arts degree or its academic equivalent from an accredited college with a minimum grade point average of 3.0 (on a 4.0 scale).

All applicants must submit a written statement outlining their vocational objectives and how the certificate relates to those objectives.

## Graduation Requirements

- A.** Satisfactorily complete all courses for a total of 32 semester units as outlined in the curriculum below.
- B.** Obtain a 3.0 GPA with no grade below a "C-" in all courses to be credited toward graduation.
- C.** At least 24 units must be taken at this seminary.
- D.** Complete the entire program in no more than five years.

## Certificate in Spiritual Formation

### Objectives

The Certificate in Spiritual Formation is an introductory yet intensive, integrative program within the Institute for Spiritual Formation at Talbot School of Theology, designed to assist individuals in their personal growth, provide some training in lay ministry of spiritual formation in the local church and give the student opportunity to understand their giftedness in order to determine whether the Lord is calling them to more training and preparation for ministry.

The program is designed entirely around promoting growth in the believer's inner life of faith and prayer with God in the context of a shared community and developed knowledge-base in the Word, spiritual formation and soul care. It focuses specifically on ways to deepen one's knowledge and openness to God and His work as well as understanding of one's self and others in order to grow toward conformity of character and inner life in the image of Christ. In order to accomplish this, the program has a substantial emphasis on understanding the dynamics of the Indwelling Holy Spirit as they interface human personality and relational dynamics. These integrative endeavors are enhanced by the Institute's diverse university-wide faculty that draws particularly upon Rosemead School of Psychology and Talbot School of Theology, bringing a wide range of expertise and experience to bear upon the process of human spiritual growth and soul care.

Certificate course work may later be applied toward a Master of Divinity or Master of Arts degree.
